## Online Food Safety Training

Now available through Oberon Council.

We take food hygiene within our region very seriously. All food businesses have obligations, and Oberon Council is assisting food businesses to meet these obligations by providing free access to this exciting new training tool.

There is a high demand for training within the food sector. This training will assist food handlers in developing the required skills and knowledge to ensure food is handled in a safe and hygienic manner.

The program is easy to follow, includes an entertaining presentation as well as interactive quizzes and the ability to view Chinese text and captions. A training acknowledgement form can be printed upon completion and be kept as a part of your staff records.
